

Family Car Rally

Race Instructions

1. Download the free **GooseChase app** from the app store on your iOS or Android device. You will use the app on race day to receive the race challenges, as well as upload your pictures and videos. This is how you will earn points! (We will also provide paper copies of all the challenges to each team to make it easier to plan your strategy.)
 - a. When you open the GooseChase app for the first time, choose to play as a guest or register for a personal account with a username and password of your choice. Make sure to **enable notifications** for this app to receive in game messages.
 - b. Search for and select the *Quest Academy Family Car Rally* game or search by **game code KM8W3E**. Click **Join the Game**.
 - c. Scroll to select your team's **player name – this is your child's LAST NAME**. If your last name does not appear, please see an event organizer in the Community Room prior to the race.
 - d. The app will start the game automatically at 2:00pm sharp on Sunday!
2. Arrive at the Quest parking lot any time between 1:00-2:00. Park and send one team member into the Community Room to the registration table to drop off your donation and pick-up your team's challenge envelope. *No opening the envelope until the game starts!* You will be given a flag to tie around your car's side-view mirror so we know you have registered and have your envelope.
3. At 2:00pm sharp, the game will begin on the GooseChase app. Watch the main entrance of the school for the checkered flag to wave you off. Then GO!!!!!!!
4. **IMPORTANT NOTICE!!!** Rankings will occur automatically in the app but **they are not final!** Tiebreakers and potential additional challenges not in the app (sent via app messages during the game) will affect final rankings. Tiebreakers have been pre-determined before the race and will be assessed by the event organizers. **The 3 teams that earn the highest point totals will be announced as the first, second, and third place winners at school on Monday.**
5. **Vouchers for free Auction Teacher Raffle tickets** will be awarded to each participating student based on the number of points their team receives. One (1) free ticket will be given for every 100 points earned. Ticket vouchers will be distributed at school on Monday for our in-person students. Virtual students will get their vouchers during the next supply pick-up.
